Buckingham Marriage

There was a very pretty marriage celebrated at "Fair Oaks", the home of Mrs. W. C. Trent, when her daughter Graham Frances became the bride of William Hartwell Chappell. The ceremony was performed by the bride's pastor, Rev. C. M. Barrell. Mrs. Ashby Davis played the wedding march.

Casey—Simms

On Wednesday morning, June 23rd, a very pretty marriage was solemnized at the Baptist parsonage by Rev. H. Parlett East. The contracting parties were Mr. James Ammon Casey and Miss Mary Sophronia Simms. The bride was very tastefully attired in a creation of gray crepe meteor, trimmed with blue georgette crepe After the marriage the pair left for a short wedding trip The parsonage was thronged with friends of the happy couple, who showered them with rice as they left the parsonage.

Card of Thanks

I wish to extend to all relatives and friends my most profound appreciation for their kind services rendered me during my husband's illness. Such Christian acts can never be forgotten, and surely worthy of the highest praise. Again I am very grateful for all the generous sympathy shown me in my bereavement.

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had a weakness and dizziness, and the pains were very severe. A friend told me I had tried everything else, why not Cardui? I did, and soon saw it was helping me... After I had used, I am strong and well."

TAKE CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

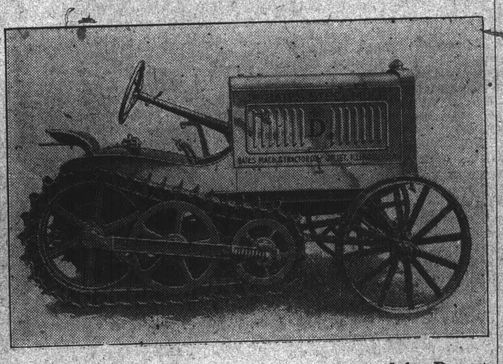
Every Inch of the Bates Steel Mule is Thoroughbred



The United States government by means of the Department of Agriculture, has been looking into the tractor question, and its bulletins clearly proves that the satisfied tractor owner—men who say that the tractor has paid—are men who own the BETTER CLASS of tractors. The successful man has learned years ago that he can't get something for nothing. No one can. The reason the BATES STEEL MULE costs more is that it is worth more. Skilled factory procedure, quantity production and the most modern Machinery enables us to save money at every turn, yet the BATES STEEL MULE cost slightly more in the beginning to build but considerably less in the long run to own. It's just another case where a seemingly higher priced article is far cheapest to own when you come to actually USE it.

The Bates thoroughbred quality comes not from mere claims, but from what's put into it. Every part that goes to make up the BATES STEEL Mule is put there by long field experience. There isn't a part that isn't time-tried and tested. There isn't a part that experience has'nt dictated the shape and size of; and in it all there isn't one superfluous part, nor one part that isn't capable of standing up under twice the strain it gets in actual use. These are things experience and practice have distracted The BATES comes to you as a fulfillment of your desire for a tractor that will endure. Price is what we pay for a thing. Value is what we get out of it. Consider your tractor from what you will get out of it, consider how many working days you have when the ground is wet, consider the operations where you can not afford to pack your seed bed, and consider how constantly and economically they must be performed even in rush times, you will then see why the BATES STEEL MULE is the biggest value offerd in any tractor on the American market today.
